Smith Point's Outer Beach to Open Friday, August 1

Smith Point, NY – Today Legislator Kate Browning (WF-Shirley) announced that the outer beach at Smith Point County Park, which has been closed since June 6 due to piping plover nesting, will be open to the public tomorrow, Friday, August 1.

“The public has been very anxious for the re-opening of the outer beach at Smith Point,” stated Legislator Kate Browning. “I want to thank everyone for their patience during the last two months as the County complied with federal regulations. I am happy to announce the outer beach will be open starting tomorrow. I hope everyone has a wonderful August while enjoying the beauty of Smith Point County Park.”
