South Country Community Leadership Network (SCCLN) Announces Business Breakfast

The Job Readiness and Training Subcommittee for the South Country Community Leadership Network (SCCLN) will host its first annual brainstorming breakfast, **“Building Employment Opportunities for the South Country Community,”** on Thursday, April 30 at the Boys and Girls Club of Bellport, 471 Atlantic Avenue, Bellport. The event will begin at 8:30 am and conclude at 10:00 am.

The purpose of the event is to initiate discussion on how the community can best work collectively and collaboratively to develop a qualified and skilled workforce while simultaneously offering employment opportunities to local residents.

“The importance of creating a local workforce made up of area residents is crucial to our mission and our hopes for a better, stronger and safer South Country community,” stated Jason Neal, Project Director for the Boys and Girls Club.

“This is a unique opportunity to improve our local area by joining small businesses and skilled trades with our residents who live close to these jobs,” stated Legislator Browning. “I am urging our employers to participate and help improve the surrounding community and the lives of their everyday customers.”

All area business owners and operators are invited to join the SCCLN breakfast. For further information, please call Janet Horan at 631-852-1300.
