Wading River, NY – The Mastic Fire Department and Brookhaven Fire Department held their 2016 installation dinners on Saturday, March 2, 2016. Legislator Browning (WF-Shirley) was in attendance to recognize the volunteer's service in 2015 and to welcome the newly installed officers for 2016. She also presented special pins to the volunteers in each department that served or continue to serve in the United States Military. The pin program was created by Legislator Browning in 2015, and recognizes these dual volunteers County-wide.

“It is always my privilege to thank our many fire service volunteers for the important contributions they make to the safety of their fellow neighbors,” stated Legislator Browning. “This year it was truly an honor to acknowledge our volunteers who have also served our Country abroad. These veterans represent the very best of our community, and it has been a pleasure to begin the veteran pin program in 2016.”

The veterans who are also emergency service volunteers that were recognized include:
