Central Islip, NY- Suffolk County Legislator Ricardo Montano (D-Brentwood), New York State Assemblyman Philip Ramos (D-Central Islip), Actor Jerry Mathers and Ex-Bronx Borough President Fernando Ferrer supported the outreach of the PPA in the Brentwood community.

PPA is a program sponsored by the Pharmaceutical Research and Manufacturers of America (PhRMA). The goal is to aide people who do not have prescription drug coverage by their insure whom do not have insurance and are struggling financially to buy medications, through over 400 public and private assistance programs.

"During these tough economic times, it is very important to inform our constituents of all the programs available to them." Montano said. "Many residents were able to take advantage of the numerous assistance programs designed to provide prescription drugs to eligible patients for free at a very minimum cost."

To Find out if you are eligible to receive your prescription drugs for free visit PPA's website www.pparx.com or call 1-888-4PPA-NOW (1-888-477-2669).
