Legislator Monica R. Martinez Attends Brentwood North Elementary School's 2016 Fall Festival

(Brentwood, NY); On October 26, 2016 Legislator Monica R. Martinez attended Brentwood North Elementary School's 2016 Fall Festival hosted by Principal Patrick M. Morris and the School Improvement Team.

It was a great event for those who attended the festival. They enjoyed a beautiful and vibrant laser-light music show and transformed a hallway of the building into a haunted pathway for students to trick or treat. The families also had an opportunity to visit the book fair which proved to be a huge success.

The hard work and tireless efforts of North Elementary's SIT co-chairs, Dawn Kollmer and Brenda Scopazzi was very apparent as the festival ran smoothly and without a hitch. Legislator Martinez a former Brentwood teacher and administrator had a blast and enjoys attending community events such as the 2016 Fall Festival as it brings the Legislator a warm feeling of pride to see the growth, progress and love by the faculty and staff of Brentwood's School District.
